Our School Core Values: **RESPECT** **SELF AWARENESS** **CREATIVE THINKING** **GROWTH**

Number 10 **21st June 2021**

From the Principal

Student, Parent and Teacher Conferences kick off tonight with phone conferences and then tomorrow night with onsite conferences. Please remember that when visiting onsite you will need to log the QR code on the classroom doors and ensure that you are wearing a mask in the classroom. I know that as a whole school community we can work together to do our bit to keep everyone safe and our school open.

If you are yet to book an appointment, please contact our office staff who can assist in communicating with your child's classroom teacher.

We were hoping to have all **student reports** published on Compass today, but due to the recent power outages, they will be on Compass later in the week. **Keep your eyes out for a Compass notification.**

Thank you to our **parent helpers** who have been keen to get back into assisting in classrooms. Having our parents assist with student learning not only helps students but also promotes a positive message to all that learning and education is important. Given the rapid changes in COVID restrictions, we are hopeful that we can welcome our wonderful parents back into classrooms from the beginning of Term 3.

Our local **Member of Parliament, Jordan Crugnale**, popped into school today to deliver some books to donate to our library. It's always great to see Jordan and while visiting 3/4C, she answered a range of questions about her role and what it means to be a Member of Parliament.

Our next **Student Free Day will be held on Thursday 12th August.** On this day, staff will be working together to build an agreed Instructional Model for Wonthaggi Primary School. This means that we looking at creating a framework that clearly outlines a predictable format and routine.

We are currently seeing more and more students arrive early to school. A gentle reminder that our **school yard is not supervised until 8.40am,** which coincides with the arrival of school buses daily, meaning that **students should not arrive at school before 8.40am.** If you need to organise care for your child before school, please contact OHSClub who provide both before and after school care daily. **OSHClub's contact number is: 1300 395 735**

School holidays are soon upon us. On behalf of all of the staff at WPS, I would like to take this opportunity to say thank you to our school community for your ongoing support and kind words during what has been an unexpected and quite challenging term for all of us. We hope that you all have the opportunity to take a break from routines and enjoy some winter sunshine over the coming weeks. See you all again for the start of term 3 at 8.40am on Monday 12th July!

Warm regards,
Wendy Truett-Bradley
Principal
