Dear Parent/Guardian

2023 Parent Payment Arrangements – Wonthaggi Primary School

Wonthaggi Primary School is looking forward to another great year of teaching and learning and would like to advise you of Wonthaggi Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to purchase art, sport, science and English equipment and resources as well as leasing of ICT equipment for students eg. laptops, desktops, give all students access to Online learning and assessment platforms both onsite and during remote learning, provide all day to day stationary supplies to all students, improve our school buildings and provide swimming & water safety education in our own swimming pool, additional support staff and Step into Prep.

We ask that all families review the following pages that set out the recommended curriculum contributions and notify the school of the contributions, they wish to make for the 2023 school year.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely

Wendy Truett
Principal

Caroline Moore
School Council President
