

VISITORS POLICY

(Child Safe Standard 4)

Purpose:

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Wonthaggi Primary School.

Scope:

This policy applies to any visitors who may attend school grounds when the school is open for instruction between the hours of 8:00am to 4:30pm, when the office is staffed to monitor/receive visitors at reception. Outside of these times, our front office is not staffed and the only visitors who are permitted on school grounds are parents/carers or their delegates who are dropping off or picking up students from Outside School Hours Care, school events such as parent teacher interviews, concerts, sport or other school activities, and community and other groups who have entered into contracts or agreements with the school to use school premises outside of school hours.

Definitions:

Child-related work: As defined by the *Working with Children Act 2005* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Policy:

Wonthaggi Primary School strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

Wonthaggi Primary School is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's *Statement of Values, Child Safe Policy, Statement of Commitment to Child Safety, and Child Safety Code of Conduct*.

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Parents
- Volunteers – see our school's Volunteers Policy for more information

Working with Children Clearance and other suitability checks

For Working with Children Check (WWC Check) and other suitability check requirements relating to parents/carers and other volunteers working with students please see our Volunteers Policy.

All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Clearance. Additional suitability checks may also be required such as reference, proof of identity, qualification and work history involving children checks.

In some circumstances, visitors to Wonthaggi Primary School who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance depending on the particular circumstances of their visit. For example, Wonthaggi Primary School will require a valid WWC Clearance for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties
- **visitors (e.g. contractors)**, who will regularly be performing work at the school and in circumstances where they will be performing their work in an area where they will be unsupervised and around children. Further background checks, including references, may also be requested at the discretion of the principal.

Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students, e.g.: a visiting auditor who will be located in the front office with administration staff; or who will be supervised and accompanied by a staff member during their visit e.g.: a Member of Parliament, a journalist, a prospective parent on a school tour, will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check, but may be asked to verify that they are sworn officers by providing proof of identification.

Invited speakers and presenters

On occasion, Wonthaggi Primary School may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, Wonthaggi Primary School will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
 - elected government
 - the rule of law
 - equal rights for all before the law
 - freedom of religion, speech and association
 - the values of openness and tolerance
 - respect the range of views held by students and their families.

Parent visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events e.g.: parent teacher interviews, concerts, assemblies, are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school. Our school maintains and provides office staff with a list of restricted parents/carers which may include identifying photographs and any other information as required depending on the level of risk posed.

Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.

- Available publicly on our school's website
